

SuperMax Oil Germany Windshield Fluid

Glass Cleaning Fluid

PRODUCT DESCRIPTION

Windshield liquid is a glass cleaning liquid with detergent in it that prevents freezing, which is produced for all commercial vehicles and automobile windscreen wash systems. Because it is ready to use, it is used by discharging it directly into glass water tank. In the summer months it will be enough to mix with water by 25%.

ADVANTAGES

- Suitable for four season use, this product will prevent frost in winter, and in summer it can be used with cleaning purpose.
- Cleans mud, oil, insect and plant residue on glass.
- It does not damage the vehicle paint, squeegee and tires.
